

Denison Financial Update

2008

Hello team!

We thought it would be helpful if we included a financial update about once a year. God has blessed us with an amazing team of ministry partners- we are so thankful for you!

God has graciously provided for our living and ministry expenses during the 2007-2008 school year. In December, we were faced with a dental bill of almost \$4,000- God provided.

Furthermore, through your prayer and giving God allowed us to pay for the adoption of our beautiful daughter and a mission trip to Africa for Jesse.

Just last month, he provided a 2000 Ford Windstar to transport our growing family (and students!) At this time last summer, we never imagined so much would happen!

As we have been evaluating our family and ministry needs for the upcoming school year, it has become evident that we need to raise additional support. Our initial support goal did not leave much room for a new baby. We also found that we spent much more on Mesa State ministry expenses than we had originally thought would be needed. This includes things like sending out our prayer letters, putting on guys and girls dinners for the students, fuel for retreats to our lodge, etc. **Our goal for this summer is to raise \$1,000 in new monthly support and \$5,000 in one-time gifts.**

Please join with us in prayer this summer as we are asking God for new ministry partners. **You can also help us by thinking of anyone you know that would be willing to hear how they could be involved in what God is doing at Mesa State.** Your friends, family, small group, Bible study, or church are all great to consider.

Please feel free to contact us if you have any questions or ideas. **We would love to get together with you this summer- whether you are here in the Grand Valley or across the country!**

In Christ,

Jesse & Rhonda
